Re: *USA v Shawn Melendez*, 22 Cr 153 (PMH)

Your Honor:

On March 9, 2022, Shawn Melendez entered a guilty plea, but was pemitted to remain out on bail. Mr. Melendez has informed me that he wishes to self-surrender as early as possible, so that he may commence the process of serving his sentence. My understanding is that such a surrender requires that this Court issue a remand order.

I also understand that the United States Marshal's Service prefer surrenders next week to occur on either Tuesday or Thursday. Accordingly, I ask that this Court endorse this letter, indicating that Mr. Melendez should surrender on April 19, 2022, or on the next date that is convenient to the United States Marshal's Service,

Very truly yours,

/s/
